POSITIVE EDUCATION PROGRAM
As part of our Positive Education Program, our school has been learning about Gratitude and Acts of Kindness.

To incorporate our school community in an Act of Kindness we would like to create “Bags of Love” for disadvantaged children between the ages of 3-12. They will be given to children on Christmas Day by Saint Lukes.

We are looking for donations of new items such as
- Stationary e.g. Coloured Pencils, Highlighters
- Story Books
- Colouring Books/ Activity Books
- Hair accessories
- Socks
- Toys
- Soft animals
- Stickers/ Erasers

Please send donations to room 8, where they will be distributed into The Bags of Love. Thankyou to those families who have already sent in some lovely donations.

OSHC FEES
Fundraising BBQ
This year for the second time we will have our OSHC fundraising BBQ on trophy night this Friday 14/11/12 between 5pm and 6pm. Our menu includes a sausage sizzle, fruit juice and fruit salad. Members of our school community who can volunteer their time on that night are very welcome.

Invoicing
In order to improve our invoicing process we are committed to email our invoices on Wednesdays every week. If for any reason you do not receive one on that day please let Freddy know. He is contactable all the time at freddy.santos913@schools.sa.edu.au. Your feedback in this area is always welcome as part of our continuous improvement.
In the same way, if for any reason we are not able to deliver our invoices on that day we will let parents/guardians know. It is also important to remind parents that we can receive payments via bank transfer to facilitate this process.

AASC
This term our participants at OSHC have had the chance to practice netball and cricket as part of our Active After School Communities program. It has been great to see them active and having fun after having a healthy snack.

Management Committee Members
Thanks to Pauline H. for her contribution to our Service as member of our Management Committee this year.
We encourage parents/guardians to be part of our Management Committee and become active in this way, in the decisions that we take aiming to improve the service that we provide to our families and children. The participation of the members of our community is highly appreciated. Please ask Freddy for details.

OSHC is positive too
Freddy attended a fascinating staff training session about Positive Education at the beginning of this term with all our school staff in our library. Since then, we have been working with our children to include elements of this field in our program. If you walk around our OSHC room you will be able to admire our gratitude hearts or our hope sunflowers, for example, just to have an idea of what we are learning at OSHC too.

Vaccare
Our booking forms for our next Vacation care program is available at OSHC already.
A draft of our program is also available. We are waiting for the confirmation of some of the providers of our excursions and incursions to be able to print a final copy. Next week we hope to be able to include it in our newsletter.
