**SPORTS NEWS**

**SOCCER**
An important notice will be sent out this week to all interested players who ticked the box earlier this year to play school soccer in term 2 and 3. Please fill in the form and return with payment as soon as possible. Of course, please let us know immediately if you’ve changed your mind about playing school soccer this year. More information regarding meetings, practice and game times once paid up forms have been tallied and teams are formed.

If you didn’t return the yellow form at the beginning of the year and your child is still interested in playing soccer please get a form from the front office as soon as possible. No guarantees of a place for late comers as teams are filling fast.

**CRICKET**
Our 2 kanga teams are looking to get started this Saturday as the forecast is looking cooler. So long as it is lower than 38 degrees it should be fine. Keep in contact with your coach later in the week.
**TEEBALL**
The game is in danger again this Friday because of the high forecast. At this stage cancellation is still 33 degrees or higher, forecast in The Advertiser. We will confirm later in the week.

**NETBALL**
All our 4 teams enjoyed their first game last week , and everything went tickety boo according to our managers. Well done gals. Our under 9 manager Nicola Tee is looking for the girls to have a warm up practice before each game so contact her for details. Also some our under 13 girls have volunteered to help coach our under 9 newbies on Thursdays at lunch time in the hall and I'm looking to organise it this week.

**FOOTBALL**
We have 15 or more players interested in playing football with Lockleys North Primary School next term. Information will be sent to those players shortly.
